Welcome!

On behalf of the Swinomish Tribal Senate and the Swinomish Cultural Committee it is my honor to welcome each and every one of you to the 3rd Annual Swinomish Days.

To family and friends, we are glad you traveled to Swinomish to spend a few days in our homeland. We look forward to being the best hosts possible. This weekend offers a number of activities for all ages. We are proud to offer a drug and alcohol free event that celebrates our pride and tradition.

Here at Swinomish we continue our tradition of Loving, Caring and Sharing. It is important that our traditions continue by teaching the next generation. We are fortunate that our ancestors and elders taught us our culture. We must never let that flame go out.

Enjoy yourselves as you visit with old friends and meet new ones. Competitors, please continue our tradition of sportsmanship as you participant in the canoe races, stick games, pow wow dance competitions, and 3-on-3 basketball tournament. And spectators, we hope you take time to enjoy a bit of each cultural activity offered this weekend.

Enjoy.
